Dear Parents/Carers,

We would like to inform you that, at present, we have not received any notification from Rhondda Cynon Taf (RCT) Education Authority regarding school closures due to the extreme weather conditions forecasted.

The school will therefore remain open as normal. We will continue to monitor the situation closely and will inform you immediately should we receive any updates or instructions from the Local Authority.

In the meantime, we would like to share some important guidance based on Welsh Government advice for schools during periods of hot weather:

- Please ensure your child brings a **water bottle** to school so they can stay well hydrated throughout the day.
- Children should wear **appropriate lightweight clothing** and bring a **sun hat**
- We kindly ask that **sun cream is applied before school**; children may bring their own to reapply if needed.
- We will take steps in school to **keep classrooms cool**, including ensuring good ventilation
- **Outdoor activities will be limited** or adapted in line with the weather to ensure the safety of pupils
- Pupils will **take regular breaks in shaded areas** and drink water frequently.

The health, safety and wellbeing of our pupils and staff remain our highest priority. Thank you for your continued support.

Diolch yn fawr

N.Downes
